## Camp Specific Explanations

Below you will find specific information regarding camps at MC Day Camp. Please remember that all costs (including field trips and barbeque Fridays) are included in the weekly fees, with the exception of the lunch program that is available from Monday to Thursday.

**Adventure Camp:** Designed for the active camper that does not want to be tunnelled into a specific theme or sport. A typical day at camp would include; outside play, crafts, organized gym games, wii room, and swimming

**Sports Camps:** These camps are for the active camper that enjoys playing sports in a non-threatening environment. Each week there is a different sport theme explored. Campers partake in our unique camper cup series, skill development, tournament play and a very exciting camper leader game. Swimming and weekly field trips are also part of this camp. Each week scouting reports are completed by the staff to give you a small picture of what your child has done at camp.

→ **MHL Floor Hockey Camp:** Campers participate in a week long floor hockey tournament which involves a showcase, draft, tournament skills clinic and awards.

→ **World Cup of Soccer:** Campers participate in a week long soccer tournament which involves a showcase, draft, tournament, skills clinic and awards.

→ **Six Pack Multi Sports:** Each day of camp, campers develop their own schedule by picking the sports that we play. Sports include, soccer, flag football, ball hockey, badminton, cricket and more.

**Krafty Kidz:** If you love crafting, this camp is for you! While the main focus of activity is on making crafts, campers partake in weekly field trips, daily swimming and special events. A typical day would have your little ones crafting in the morning, swimming just after lunch and then returning to the craft room to finish crafts.

**Minecraft PE:** During Minecraft PE we explore the world of minecraft through a tablet that is connected to a local network. Campers can connect to a server that has been developed by one of their friends at camp.

**NEW Yugioh TCG Camp:** Explore the World of Yugioh TCG. Find out where it all began with Yugi, Kaiba and Joey. Learn to play the popular card game, create new monsters, spells and traps. Bring your own Yugioh® trading cards and get involved in our daily tournaments.

**NEW Pokemon Camp:** The world of Pokemon® is a special place where children can explore, create new friendships and learn to work in larger groups. Bring your own Pokemon® trading cards if you would like to show off your skills as you battle for power in your voyage through the world of Pokemon®!

**NEW Superheroes:** Explore the world of superheroes, become your favourite superhero. Learn how to be a superhero at home, in school and on the playground. Make crafts, play games and have fun in this theme based camp.

**Movie Makers:** Movie Makers gives campers the opportunity to explore their creative side in a different way! Claymation, Legomation, still pictures and more are created by young campers. Using the very basic Windows Movie Maker we teach your child how to be a young director.

**Young Scientists:** Want to get down to business and make a mess? Well at our 'Young Scientists' camp we allow you to make a mess and love to do it. Make goo, explore the universe or make your own science game.

**Young Chef's Cooking & Crafts:** We love to cook at MC Day Camp and this camp is your you if you love to cook and eat. We make a large number of recipes that allow campers to be self sufficient at home. Recipes are easy to follow and have little clean-up. Recipe books, weekly report cards and crafts are part of the weekly fun.

**Magic Camp:** Designed and implemented by Lofty the Magician ([www.lofty.ca](http://www.lofty.ca)), this camp favourite has been the choice of many young magicians over the years. Campers learn tricks that can be used at home or at school to amaze! Campers are engaged in morning workshops and practice their tricks after our daily swim.

**Digital Photography:** Learn how to make great shots using a simple digital camera. Select your best pictures and display them for the rest of camp to see. Each day you will venture into Port credit to take pictures of different places, people and things!

**Creative Arts Camp & Crafts:** A unique combination of dance, drama and crafts. Each week campers participate in role playing, dance, crafts and a play production that can be seen on Fridays.

**Eco Raiders Camp:** Make your own bug or worm habitat, go on outings to the Rattray Marsh Conservation Area, the Lake Front Promenade and learn about special environmental concerns. A typical day would include a group walk, indoor activities, daily swimming and a large group craft such as an ant farm!

**Young Peoples Drama & Craft Camp:** This camp is for the true drama enthusiast. A huge production, such as 'Harry Potter,' 'Peter Pan' or 'Robin Hood' is adapted, practiced and presented on Friday afternoons. We also do some crafts that are related to the theme of the play.

**World of Lego:** Lego, Lego, Lego! Build different structures throughout the week to assist in the development of a true Lego world! Work in teams to complete group projects and of course have fun. In the Lego Mania portion of camp we always have lots of Lego to build your favourite things, such as an airplane, spaceship or just a house.

**NOTE:** All camp selections are not available during all sessions.
