COVID-19 Camp Update

June 18, 2020

COVID-19 has changed the way we are living life. It has been very difficult to determine what summer 2020 would look like at MC Day Camp. Although, the Government of Ontario has given private day camps the green light to open during the months of July and August. There has been no direction from the Government of Ontario or Peel Health.

We believe the lack of direction in this very particular situation would put all of our campers and the staff of MC Day Camp at risk. Social distancing would be impossible to maintain for our campers (especially if adults can not follow social distancing rules in this new environment) and this is why *we have decided to remain closed for the summer of 2020.*

In addition, different specialty camps that we offer would not be able to run because of social distancing and the nature of each program (i.e. team sports, Lego or cooking where social distancing would not possible). Our play ground, and pool remain closed until further notice and field trips would be cancelled because of bussing constraints and/or the field trip destination may still closed or running at smaller capacity. Therefore, it would be very difficult to offer the program that we have provided campers, since 1991.

MC Day Camp will be back in the near future, stronger than ever. We want to thank our camp families for their support during this special time. We will see you soon!

Stay safe in this ever changing environment.

For further information regarding MC Day Camp and COVID-19, please call 647-222-5004.

Regards

Kevin Wilker - Director
